ABOUT ME

I am a dedicated and results-driven professional with a passion for software development. With 5 years of experience in developing different applications & API's using different programming languages, I have developed a strong foundation in solving problems and implementing. My background includes bachelor's in computer science with high distinction.

EDUCATION AND TRAINING

[04/11/2014 – 01/07/2018]

Bachelor's in computer science

University of Gondar <https://uog.edu.et/>

City: Gondar

Country: Ethiopia

WORK EXPERIENCE

[01/11/2018 – Current]

Software developer

Ethiopian Airlines

City: Addis Ababa

Country: Ethiopia

- Developing different applications, service and API's
- Developing different schedule applications like timers, windows service & cronjobs
- Perform code review
- Create CI/CD for automated development and delivery
- Apply unit testing

HONOURS AND AWARDS

[01/07/2018] **Gold Medalist Awarding institution**: University of Gondar

I earn gold medal due to my outstanding grade by scoring 3.91 out of 4.

[01/11/2023] **Service Award Certificate Awarding institution**: Ethiopian Airlines

I got this certificate due to 5 years service giving for my company.

VOLUNTEERING

[01/11/2015 – 01/07/2018] **Lecture** University of Gondar

I gave lecture sessions for women's and other students to understand things and to score a better result.

PROJECTS

[01/12/2018 – 01/11/2021] **Payment Portal**

I participated in developing a payment platform for Ethiopian Airlines with integrating banks with the booking system. The platform developed for call center agents to forward customers reservation via different banks to allow customers to pay their reservation easily with different options. It also include automated ticketing system to issue tickets immediately after the customer pay their order and it notify them after issuing their ticket.

[02/11/2021 – Current] **Agency Portal**

I participated in developing a portal for agencies to sell Ethiopian Airlines tickets. The system include different functionality like ticketing, exchange, refund and void customer tickets. By using Sabre web service for the reservation management, it also add different payment options like BSP payments.

HOBBIES AND INTERESTS

Reading Books

Playing and Watching Football games
